

TMS SMART GATEWAY INKL. BASISSOFTWARE TMS CONTROL

Article number: 030491000
EAN: 4031109021036

DESCRIPTION

The central communication and control unit for a data processing' management and control communications among the devices.

Use the functions on the website to remember or compare

Includes:

- ZigBee® communication module
- LNA/WLAN (WiFi) module
- USB interface
- wide-range plug-in power supply
- status lights (ON, CONFIG, ERROR)
- signal antenna

Technical data:

- Protection class: IP33
- Power supply: 110-240 V; 50/60 Hz
- Operating temperature: 0°C till +50°C
- Storage temperature: -20°C till +70°C
- Weight: 0.6 kg
- Dimension: (WxHxD): 209x334x66mm

TECHNICAL DETAILS

Protection class	33IP
Power supply (electrical voltage)	100-240V
Power supply (electrical frequency)	50-60Hz
Power supply unit	Weitbereichsschaltnetzteil
