

UNIVERSAL HOSE REEL FOR WATER/AIR WITH 10 M DISPENSING HOSE

Article number: 013416011
EAN: 4031109006231

DESCRIPTION

enables solutions for various use cases and a wide operating range. Special roller guides ensure that it is easy to pull out the hose in all directions. Thanks to slide ring seals and specially-coated hubs, it operates smoothly and leak-free under all operating conditions. The well-balanced retraction mechanism and robust locking mechanism guarantee years of maintenance-free operation. Mounting on the wall or ceiling, on the ground or in the pit is possible without additional brackets or braces. The universal hose reels may be installed in rows, eliminating awkward spaces in-
