DESCRIPTION

The **TECALEMIT Pro Hose Reel** is an especially installation-friendly and versatile solution for professional use.

Use the functions on the website to remember or compare

Designed specifically for flexible mounting, the hose reel offers convenient handling thanks to its automatic hose locking mechanism. The fully encapsulated rewind spring ensures high retraction force and long service life. High-quality, coated materials (steel, powder-coated, RAL 7016) provide maximum durability, making the hose reel suitable for use with used oil. It is ideally suited for demanding work environments where a reliable and long-lasting solution is required.

TECHNICAL DETAILS
