

## HDM 60 ECO BOX LITER COUNTER

Article number: 109601100

EAN: 4031109022118

### DESCRIPTION

#### Description:

- Diesel dispenser with self-priming pump and liter counter.
- Output for pulser meter for on site available automates (HDA eco / HDA 5 eco e.g.)

Use the functions on the website to remember or compare

**Characteristics:**

- incl. drip tray and leakage monitoring
- Rotary vane pump with single-phase asynchronous motor
- Oval gear meter with pulse generator, single pulse
- A 2010 automatic nozzle with approved design, incl. swivel joint
- Discharge hose holder
- Rear and underground suction pipe connection possible
- Suction pipe min. DN 25
- LC-Display, illuminated
- Robust powder-coated sheet steel housing

**Your advantages:**

- Service-friendly system structure with prepared return line connection
- Easy to use
- Easy to connect to existing automates

\* depends on viscosity and system

## TECHNICAL DETAILS

|                                     |             |
|-------------------------------------|-------------|
| Flow rate                           | 55l/min     |
| Ambient temperature                 | -20 - +55°C |
| Medium temperature                  | -10 - +35°C |
| Suction hose                        | DN 25       |
| Power supply (electrical voltage)   | 230V        |
| Power supply (electrical frequency) | 50Hz        |
| Discharge hose                      | DN 19 x 4 m |
| Tap count                           | 1           |
