FILL LEVEL PROBE 300 MBAR

Article number:224020010
EAN: 4031109015455

DESCRIPTION

- Parts in contact with fluid: 1.4571 CrNr steel, FEP
- Suitable for all media that do not corrode the material e.g. water, diesel fuel, heating oil, engine oil, vegetable oils, diluted AdBlue® urea solution
- The cable can be extended up to a length of 200 m
- In order to avoid damage to the fill level probe due to oscillating motions arising from fuelling operations with a high flow volume, the fill level probe must be fixed in place, e.g. with a protective tube (available as an accessory)
- Effective max. tank height depends on the density of the medium
