Article number: TW208420040000  
EAN: 4031109012584

### DESCRIPTION

#### Description

Hardware expansion for TWM with Namur interface, which integrates dispensation management into the TWM. This allows the dispensation to be managed and operated directly via the TWM 2084. This expansion can only be carried out with a computer module at HORN, and requires recalibration after that. The labor and calibration costs are not
